

HLG440-LG(-Q10)

Flat Panel TV Base Stand Lock-Down Plate

For select LG TV models 32"-42"

The HLG440-LG lock-down kit provides a clean and simple solution for securing flat panel TV base stands in-place by enhancing the rigidity of the manufacturer's base stand adding a level of safety and security. As a single plate design, it easily and quickly attaches to the TV's base stand and to almost any desktop surface with only two attachment bolts. It features Peerless' unique slotted design, enabling fine-tuning of TV placement during the installation. Once installed, the ultra-slim designed plate is hidden from view while specialty security fasteners protect your investment.

TV size: 32"-42"

Max load: 100 lb (45 kg)

FEATURES

- Adds additional rigidity to the manufacturer's base stand for enhanced security
- Plate quickly and easily attaches to bottom of TV base stand
- Includes security hardware for attaching the base stand to the desktop surface
- Low-profile design hides plate from view
- Includes all necessary mounting hardware*
 - * ACC939: 2.25" carriage bolts available for thicker desktop surfaces
- Available in black

QUICK AND SIMPLE ATTACHMENT
Quickly attaches to bottom of the TV base stand and desktop surface

LOW-PROFILE DESIGN
Hides lock-down plate from view

DESKTOP ATTACHMENT
Prevent tampering and theft with security hardware

A standard 5/8" open box wrench is used to secure the lock-down plate to the desktop surface* with unique security slope nuts.

*Desktop surface not shown in photo for clarity purposes.
